

MISSION GROWTH: WHAT IS IT!

The members of this committee plan the various enrichment programs held throughout North Carolina sponsored by the NC Synodical Women's Organization.

The FALL RETREAT and SPRING RETREAT are usually held at Camp Agape in Fuquay-Varina and Kure Retreat Center in Kure Beach respectively. These overnight facilities provide a comfortable place for fellowship, discussion, praise, and worship. The retreats go from Friday evening through Sunday morning closing with worship. A time of reflection is provided. These are open to all women.

ONE DAY RETREATS are held in about eight different locations giving more women the opportunity to attend. The churches hosting these events provide lunch and other refreshments during the day.

SPRING GATHERINGS held at the 15 conferences usually has a Bible Study which is prepared by this committee.

WOMEN'S THEOLOGICAL SEMINAR is held in the fall of every other year at an accommodating motel. A noted speaker shares a special presentation and books from an area bookstore are available along the lines of what the speaker presents. Women from across the state participate.

PRAYERS for various subjects and peoples are submitted in the President's Mail for everyone to use.

For the NC SWO GATHERING matins for Saturday are usually arranged and dorm devotions provided.
